JOHN STACK SALES COMPANY

PEERLESS BOILERS/PB HEAT LLC

Full line of Residential Cast Iron & Stainless Steel Boilers - Efficient Gas Boilers, Direct Vent Boilers, Oil Water with Swing away door, Oil Steam - Assembled. Cast iron 92% Gas Boiler. 90% Cast iron Oil boiler.
Full line of Commercial Cast iron and Stainless Steel Boilers - Modulating & Power Burner applications. BTU range from 56,000 up to 4 million +.

www.peerlessboilers.com

THERMO-DYNAMICS STEEL BOILERS

Complete Line of Energy Star Packaged Residential Steel Boilers, Vertical Tube, Three Pass Horizontal Tube, Lo Mass Scotch Marine, Chimney and/or Direct Vent, Dry Base and Wet Base Units, Zero Clearance Units, Indoor and Outdoor Residential Oil Fired Pool Heaters, Electric Wall Hung Boilers.

www.thermodynamicsboiler.com

R.W. BECKETT

Residential and Commercial Oil Burners, Oil burner pumps, PSC motors, ignitors, couplers & accessories. Genisys Oil Primary Controls, AquaSmart Boiler Controls, Fuel Armor Additives. Oil Tank Accessories (purchased O.E.M. Company) King Tank Alarms & Gauges, SpeedFill, Tank fill accessories, Rocket Fuel Monitor, Fusible Fire Safety Oil Safety Valves (purchased O.E.M. & Fire-O-Matic). Commercial Gas Burners Natural & Propane for general retrofit and most OEM Boiler Manufacturers. Residential Gas Conversion Burners.

www.beckettcorp.com

MESTEK - RESIDENTIAL BASEBOARDS

ARGO Lo-Trim and Panel Trim Residential & Slope-Pak Commercial Hydronic Baseboard Radiation, SUNTEMP - Imperial 700-A1, SUNTEMP 800, PETITE 7, PETITE 9, KOM-PAK, SENIOR, CLASSIC w/ Aluminum Grill. **Design Line - SYNERGY** Low Temperature High output Baseboard radiation, **THERMAQUIET**: Wall mounted fan assisted low temp High output Heaters 2 sizes, up to 16,000 BTU's, **ELEGANCE** all aluminum (non rusting) waterproof baseboard for bathrooms and High humidity areas.

www.mestek.com

TRIANGLE TUBE

SMART Indirect Water Heaters - Limited Lifetime Warranty, Stainless Steel construction. NO Coil - Low Pressure Drop, Fastest Recovery Indirect Fired Water Heaters 30 gallon through 120 gallon tanks available. **PRESTIGE Series** - 95% Condensing Gas fired Stainless Steel Wall Hung Boiler. Range from 30,000 BTU to 399,000 BTU, Low Pressure drop, easy retrofit in line application, easy set up TRIMAX control. Cost effective CHALLENGER 96% boilers. Flat Plate Heat Exchangers, Pool & Spa Heat Exchangers. EXCELLENCE Series combination boiler & water heater 96% wall hung, 14 gallon potable storage, indirect water heater. Keystone - Commercial 95% condensing gas boilers 300,000 to 850,000 BTU's.

BACHARACH

Complete line of USA made Combustion Analyzers, Leak Detectors, A.C. Refrigerant Analyzers, Fixed Gas Monitors, Safety & Specialty Products. Featuring FYRITE Family of Combustion Analyzers with the B-SMART ADVANTAGE factory Calibrated Sensor Program shipped right to your door. PCA-3 Combustion Analyzer with up to 6 electrochemical sensors including NOX sensors, INSIGHT Combustion Analyzers perform testing for 8 different fuels. INFORMANT 2 universal leak detector that detects both combustible and refrigerant gases. New Improved **ECO-2020** High quality refrigerant recovery unit suitable for all refrigerants including R22 and R410A. PUR-CHEK compact and easy to use refrigerant identifier, includes Blend Chek software that accurately indicates the presence of R410A blend refrigerant. **SNIFIT** - Carbon Monoxide Safety Monitor that can be worn by installer/serviceman.

MILL-ROSE

BLUE MONSTER - Teflon tapes, pipe joint compounds, Stainless pipe compounds with nickel powder, grit cloth, hand wipes. Full Line of Fitting Brushes, Boiler Brushes, Abrasive-Grit Cloth, Grit Pads, Teflon Tapes, Solder Flux, Utility Boxes, Hand Tools, Scratch Brushes, Flame Shields, Refrigeration Coil Brushes, Power Deuce Brushes, Water Gate Shut Off Tool, Razorback Wrench, Easy-Cut Jaws. Blue Monster **Compression Seal Tape** to seal pipe leaks.

www.cleanfit.com

CLARION BATHWARE

Complete line of Gel Coat and Acrylic tubs, showers, soakers and whirlpools. Specializing in ADA Assisted living roll in showers and tub/showers. E-Z Pin QUANTUM Series 4 piece Tub/Shower Systems, easily assembled from the front of unit (not Boxed, eliminating concealed damage).

www.clarionbathware.com

DETTSON

Complete line of Residential Oil & Gas Furnaces. Oil Furnace configurations: Low Boy, High Boy and Multi Position up to 87% efficient. Complete line of Residential 90% Gas Furnaces CHINOOK Series with BTU ranges 15,000 up to 120,000. Electric Warm Air Furnaces, Air Handlers and Central Air Conditioning Systems (up to 5 tons capacity). Electric Boilers.

www.dettson.ca

WESTWOOD (OIL FILTERS)

Full Line of Oil Filters, Filter Elements, "Spin On" Oil Filters, Tigerloop oil de-aerators, Burner Electrodes, Combustion Test Equipment, T-stat covers, chemicals, oil pump couplers and numerous oil related parts and supplies.

www.westwoodproducts.com

BEACON / MORRIS

Therma Quiet - Low Temperature High Output Efficiency Hydronic Fan Coil units with InstaHeat Boost feature for bathroom applications, Twin Flow III - Kickspace hydronic floor and wall heaters, Twin Pak - Two piece Commercial Fin Tube Radiation Steel & Copper Fin, Hydronic and Steam Gas Fired Unit Heaters (Horizontal & Vertical), BRUT Tubular Gas Fired Unit Heaters, Cabinets Unit Heaters, CONVECTORS-Hot Water & Steam replacement convactor elements available.

www.beacon-morris.com

CENTROTHERM

InnoFlue Single Wall Rigid, Flexible & Concentric Polypropylene Category II, III & IV Special Gas Vent, Gas Vent BH, Class IIC. UL-1738 and ULC-S636 compliant. Flexible offset chimney kits for all Condensing furnaces & boilers. Rated for temperatures of 240 degrees. Available in Nominal Diameters of 2" through 12". The low cost UL approved replacement for PVC pip vent systems.

www.centrotherm.us.com

ENVIROAIR

Ductless Mini Split Air conditioning & Heat Pumps. Including the **FSR Series**- Straight Cool Single Zone Inverter with 15 SEER (9,000 & 12,000 Btuh), **SZI** Single Zone Heat Pump Series - 16 SEER Inverters (9,000 through 24,000 Btuh), **MZI** Series - Multi Zone Heat Pump 16 SEER (18,000 through 36,000 Btuh). All units include infrared hand held wireless Remote, Low Ambient Operation - standard, Line Sets and accessories available as options.

www.ecrinternational.com

ROTH

30 year Warranted with \$2 million Leak coverage Double Wall Oil Tanks available in 110, 165, 275 and 400 gallon models, Radiant Heating and Snow melt Systems using Pex and Pert Pipe technology. Geothermal Heat Pumps.

www.roth-usa.com

ALLANSON

Full line of copper wound 10,000 volt ignition transformers for Oil & Gas burner applications, OMNI Universal Mount 14,000 volt solid state ignition transformers, Ignition Transformer kits available with various mounting plates. Chek-Mate Fast portable dependable way to test transformers and electronic ignitors. Swordfish - Ultra Violet Air Treatment systems. Get-Green Energy Efficient Technology magnetic collars that reduce Natural Gas & Propane Consumption, while reducing CO emissions.

www.allanson.com

CANFIELD / LUKENS METALS

Various types of solder product, sheet lead, lead wool, caulking lead, AQUAPURE- premium lead free w/ silver, AQUASIL- lead free w/ silver, AQUAFLOW- Economic lead free 95% tin/ 5% Antimony, 95/5 and 50/50 lead. Try our new New Canfield SILVERSAFE Lead Free Solder

www.giantinc.com

GIANT WATER HEATERS

Complete line of competitive Residential and commercial Hot water Heaters using Greenfoam technology for Eco-friendly insulation. Electric models available in LowBoy, Standard, Table Top and Utility configurations, Gas models available with Power Twist Baffles for increased hot water capacity, all standard gas water heaters are FVIR compliant. Direct vent models available.

www.automagzonevalve.com

AUTOMAG ZONE VALVES

Universal replacement Electric Zone Valves, Lo Profile Zone Valves to fit within baseboard enclosure, Manifold Systems, Zone Valve Control Centers, Thermostats.

MAID-O-MIST

Complete line of Hydronic and Jacobus Steam Air Vents, Hydronic Commercial Vents and bullet style steam vents

www.turbonicsinc.com

TURBONICS

Hydronic (under the counter) Kick Space Heaters (up to 19,000 BTUH) and Wall Cabinets, Hydronic Fan Coil Units, Chill Chaser Units, Dual Aire & Hydro Duct heaters.

ZILMET

Cal-Pro - Hydronic Welded Heating Expansion Tanks from 2 gallons to 185 gallons, Hydro-Plus - Potable Water Expansion & Well Tanks from 2 gallons up to 158 gallons, Inox-Pro- Polished Stainless Steel Expansion tanks and water hammer arrestors from .04 gallons to 4.8 gallons NSF rated, Flats - Flat Hydronic Expansion Tanks for use with Wall Hung Boilers. 5 Year Warranty on All Tanks.

www.zilmetusa.com

KAMCO/GREAT LAKES COPPER TUBE

Kamco - Complete offering of Polyethylene coated copper tubing for use in various applications. GasTec Natural Gas & Liquefied Petroleum Supply Pipe. ProTec Fuel Oil distribution lines with built in double wall containment that is UL Listed. AquaShield Red or Blue Sleeved Potable Water distribution lines.

www.kamcoproducts.com

Great Lakes Copper Tube - Complete offering of Plumbing Tube types K, L, M and DWV. Available in straight lengths of 10 and 20 feet, from 1/4 O.D. through 4 O.D. Also available in Soft Coil Plumbing lengths of 60 and 100 feet, from 1/4 O.D. through 1-1/2 O.D. Refrigeration Service Tube available in 50 and 100 foot lengths, from 1/8 O.D. through 1-5/8 O.D.

THERMA-FLOW / EVERHOT

Rear Flue & Center Flue Oil fired Hot Water Heaters, Aqua Booster Tanks, Glass Lined Indirect Water Heaters, Anti Surge Tanks, "Super Artic" Glycol Antifreeze.

www.tfi-everhot.com

BOSTON VALVE COMPANY

Complete line of USA FULL PORT Ball Valves Sweat & NPT Stop & Waste Valves, CSA/UL Gas Mini Shutoff Valves, Flair Ball Valves, Purge Ball Valves, Oil Tank Valves w/integrated Bleed Port & Purge Gate Valves, Swing Check Valves, Check Valves, Chrome Plated Supply Stops, Pex Ball Valves, Pex Manifolds, UniI-Grip forged brass push fittings, Instantaneous Water Heater purge kits. Complete line of **LEAD FREE** Ball Valves.

www.bostonvalve.com

NEUTRA-SAFE - Condensate Neutralizers

Full line of Clear Tube Condensate Neutralizers for all High Efficiency Condensing Boilers, Furnaces, & Water Heaters. Kits available in three size models sized on BTU capacity of the appliance 220,000-1,200,000 BTU's. Refill Kits that include Calcium Carbonate material that has optimum soakage filtration capacity.

www.neutrasafe.com.com

EASTERN FOUNDRY & FITTING

Complete Line of Pex Fittings available in : Brass, Low Lead Brass & Poly-alloy. Pex Valves, Pex Crimp/Pinch Tools, Water Hammer Arresters, Flexible Connectors, Copper Pex Manifolds. Complete line of **LEAD FREE PEX FITTINGS**.
